Organized by: Name of the Department/Activity Centre	Dept of Commerce – Vichar Vimarsh – Academic Discussion Forum
Event Coordinator/ Faculty In-charge	Mr Arun Kumar R, Assistant Professor.
Nature: Academic /Co- curricular /extracurricular/others	Academic
Topic/Activity	Capacity Development Workshop on AI in Education
Resource Person Details (Name, Designation and Organization/Institution)	NA
No of Participants	Faculty Members of Dept of Commerce & Mr Avinash, Asst Professor, Dept of English
Objectives of the activity	- formalized and evidence-based conversation about a topic, text, or issue. - involve constructive dialogue grounded in textual evidence in which participants exchange thoughts, ideas, and questions about issues, texts, and topics. - can help faculty members in understanding, gain feedback, refine ideas, and revise claims.
Methodology	The event began with a welcome note by Mr Arun Kumar R and opening remarks by Dr Nagaraj M S, Head – Dept of Commerce. The event was steered by Ms Bharathi N S. Each faculty members were asked to give their opinion about the use of AI in Education. The team was divided into two were in each group discussed about the pros and cons of usage of AI respectively. The event was a find blend of ideas and strategies to ensure that the AI tools in education are used in the best possible way with maximum benefits both to the teaching and the student fraternity. The closing remarks and vote of thanks was rendered by Mr. Gokul C
Outcome of activity	The discussion centered around how the faculty members could step up in academic quality with the usage of AI tools. With the underlying fact that AI is here to stay and its existence or importance cannot be diluted. It was concluded that the yardstick to measure the impact of the same is the use of Natural intelligence blended with

	Artificial intelligence.
	Proposed to incorporating AI tools in the upcoming semesters into student presentations, assignments, and research can greatly enhance the learning experience and provide students with valuable skills for the future.
	It was decided to have the next session exclusively on chat GPT and its impact on education.

Session in Progress
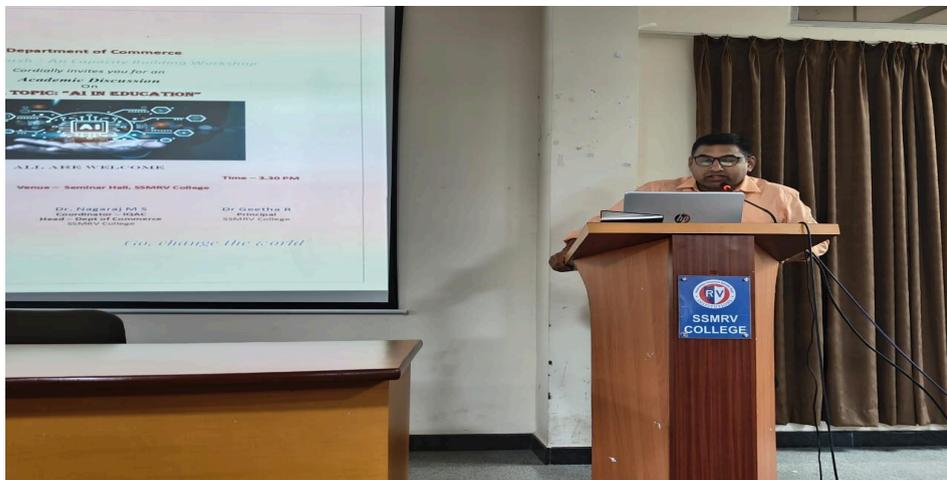

Vote of thanks by Mr. Gokul.

Feedback Summary

The feedback was collected from all the 20 participants and the analysis is as follows –

1.How would you rate the content of the session?

Excellent	Good	Fair	Poor
05	15	0	0

2. How would you rate the practicality of the contents discussed?

Excellent	Good	Fair	Poor
06	14	0	0

3. How would you rate the time management of the session?

Excellent	Good	Fair	Poor
08	10	02	0

4. I am confident that the discussion points could penetrate the classrooms for the benefit of students.

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
00	00	02	12	06

5. The session has met the desired objectives

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
00	00	02	15	03

6. Please suggest an academic topic for future discussions and workshops

- AI Tools to be used in Classrooms
- Application of AI tools
- Social and emotional learning in student well-being
- Recent trends in AI

The session met with very positive feedback and with this, the Dept of Commerce has completed 7 Editions of Academic Discussions. (6 Editions in AY 2022-23)

The next step forward is to elevate these discussions into practical tools and applications which would benefit the students academically.
