Objectives of the activity	Celebrating graduation day serves several important objectives: 1.Recognition of Achievement - Graduation ceremonies formally acknowledge the hard work, dedication, and accomplishments of students. It's a moment to celebrate their academic journey and milestones.

	<p>2. Transition to the Next Phase - Graduation marks a significant transition in students' lives, whether it's moving on to higher education, entering the workforce, or pursuing other endeavors. Celebrating this transition helps students reflect on their past while looking forward to future opportunities.</p> <p>3. Building Community and Connection: Graduation brings together students, families, faculty, and friends, fostering a sense of community. It reinforces relationships and connections that have been built during the educational experience.</p> <p>4. Encouragement and Motivation- Celebrating graduation inspires current students and younger generations. It serves as a reminder of the possibilities that come with hard work and persistence, motivating them to pursue their own educational goals.</p>
Methodology	Resource persons shared their experience as students and motivated the students to dream and achieve big. The students received their course completion certificates from the delegates
Outcome of activity	<p>The outcomes of graduation day can be quite significant, both for graduates and their communities. Here are some key outcomes:</p> <p>The students had a sense of accomplishment for having successfully completing their graduation.</p> <p>The students cherished every moment of dressing up in their graduate attire and receiving a course completion certificate from the delegates</p> <p>It built a stronger bond between the Institution and the students who would now move on to become alumnis.</p> <p>Overall, graduation day is a pivotal moment that impacts individuals and their broader communities in meaningful ways.</p>
Feedback	The students gave extremely positive feedback about the graduation day and mentioned that they would be connecting back to the institution as alumni and help the institution in the best way possible.
