Activity Report

Academic year 2023-24 (July 2023 to June 2024)

Name of the Activity	Webinar on the Occasion of "National Technology Day"
Date	11th May 2024
Time and Venue	1:00 pm. To 3:00 pm.
Mode (Online/Offline)	Online
Organized by: Name of the Department/Activity Centre	Department of Computer Applications
Event Coordinator/ Faculty In-charge	Prof. Puja Biswas
Nature: Academic /Co-curricular/extracurricular/others	Academic
Topic/Activity	Neuromorphic Computing, Web Application Development
No of Participants	101
Objectives of the activity	This webinar is organized to celebrate the "National Technology Day" and also emphasises the importance of innovation and technological development in India. The major objective of the programme is to generate awareness among the students about the importance of technology in every step of our lives. The webinar is also organized to introduce new technologies like Neuromorphic Computing and Web Development Techniques that can be useful for the students in future.
Methodology	"National Technology Day" was celebrated by organizing a Webinar with interactive elements - the ability to give, receive and discuss information. An interactive function is fulfilled by discussion and online chat-rooms provided on the same website as the webinar. Resource Persons delivered their talks & then they made an interactive session with students by giving the answer of the questions asked by students.
Outcome of activity	Students got to know the importance of celebrating the National Technology Day. Students also got to know new technologies like Neuromorphic Computing and Web Development Techniques that can be useful for the students in future. Students also cleared their doubts related to the modern technologies with the Resource Persons using an Interactive Session.
