Activity	Industrial Visit	**Date**	1st August 2023
Organized by	Confederation of Indian Industry - CII	**No of Students attended**	26
Industry	Hindustan Coca Cola Beverages Pvt Limited, Karnataka		
Venue	Baeleveeranhalli, Karnataka	**Curriculum**	As part of Logistics and Supply chain Management

A Report

As part of Logistics and Supply chain Management – Add on Course, with Collaboration with Confederation of Indian Industry – CII organized Industrial visit to Hindustan Coca Cola Beverages Private Limited for 2nd Semester Logistics and Supply chain Management students.

On 1st of Aug 2023, our students from Logistics and Supply Chain Management from II Semester B.Com had the privilege to visit the renowned Coca-Cola production facility, one of the world's leading beverage manufacturers. The purpose of the visit was to gain insights into the production process and understand the intricacies of their supply chain management. Our visit was guided by experienced personnel from the company, who provided us with a comprehensive overview of the entire production and supply chain operations.

Production and Quality Control Process: Coca-Cola Production Process starts with the sourcing of high-quality raw materials, including water, sugar, carbon dioxide, and various flavouring agents. These ingredients are carefully selected to ensure consistency and adherence to Coca-Cola's strict quality standards. The ingredients are mixed in precise proportions to create the Coca-Cola syrup. Carbonation is added to the mixture, giving the beverage its characteristic fizz. Once the syrup is ready, it is transported to the bottling line. The bottles are cleaned, sanitized, and filled with the syrup. The bottles are then capped, labelled, and packed into cartons.

Throughout the production process, rigorous quality control measures are in place to ensure that the final product meets the company's high-quality

Academic year 2023-24 (July 2023 to June 2024)	
Name of the Activity	A Guest Lecture on "Soft Skills Training"
Date	23-12-2023
Time and Venue	10 am to 1 pm, Auditorium
Mode (Online/Offline)	Offline
Please provide the youtube link (if online)	Nil
Organized by: Name of the Department/Activity Centre	Department of BBA Aviation Management
Event Coordinator/ Faculty In-charge	M.Rajatha
Nature: Academic /Co-curricular/extracurricular/others	Academics
Topic/Activity	A Guest Lecture on "Soft Skills Training"
Resource Person Details (Name, Designation and Organization/Institution)	Mrs. Soumya G Kumar Soft Skills Trainer Milestone Academy
No of Participants	64 students from I,II & III BBAM
Objectives of the activity	• To bring conceptual knowledge, corporate experience through guest talk sessions by eminent speakers from the corporate world
Methodology	The event started at 10 am, the speaker is trained in the field of soft skills. The areas focused in the session was interpersonal skills, communication skills, group discussion, how to face interview, tips to overcome nervousness & body language. The speaker demonstrated the session with small stories, mock session of group discussion, body language & interview. It was a great interactive session with lot of learning experiences. The students gave a positive feedback about the session.
Outcome of activity	The students were able to analyze the skills that are required to attend interview. The mock session helped the students to gain the experience to participate in group discussion & maintain positive body language. The students got a brief idea of corporate expectations.

Activity Report

Academic year 2023-24 (July 2023 to June 2024)	
Name of the Activity	Workshop on Case study for Data Analytics
Date	03.01.2024
Time and Venue	10.00 to 1.00pm Auditorium
Mode (Online/Offline)	Offline
Please provide the youtube link (if online)	------
Organized by: Name of the Department/Activity Centre	Department of Computer Applications
Event Coordinator/ Faculty In-charge	Event Co-ordinator : Ms. Jahanavi Rao A.V
Nature: Academic /Co-curricular/extracurricular/others	Academic
Topic/Activity	Case study for Data Analytics
Resource Person Details (Name, Designation and Organization/Institution)	Name :Prof . Mithun • Mr.Mithun has held significant roles such as Statistician atSPSS South Asia Pvt. Ltd, Senior Data Scientist at Course5i, and Senior Manager . • Data Scientist at Reva University. He has also served as an educator, teaching subjectslike Marketing Analytics, Applied Statistics, HR Analytics, Machine Learning, Deep Learning, Applied AI, and Data Visualization using EXCEL and TABLEAU.
No of Participants	50
Objectives of the activity	• To get knowledge on Case study in Data analytics. • To gain hands -on experience in applying various data analytics techniques to derive the meaningful insights
Methodology	Presentation and Activity by the students
Outcome of activity	• Attendees will be adept at visualizing data patterns, identifying trends, and using descriptive statistics to extract meaningful insights during exploratory data analysis. • Participants will understand and apply predictive analytics to make informed decisions, demonstrated through a case study on predicting customer churn

How effective was the speaker in conveying the workshop contents ?

Activity Report

Academic year 2023-24 (July 2023 to June 2024)	
Name of the Activity	Academic Discussion - (AY 2023-24 - Edition 1)
Date	9th Jan 2024
Time and Venue	3.30 PM Seminar Hall
Mode (Online/Offline)	Offline
Please provide the you tube link (if online)/ videos shared during the event	https://youtu.be/JMLsHI8aV0g?si=2RwL94HNIRN_otea https://youtu.be/jNsxN-kbRDc?si=VG-zFUfoSY_OMb7f
Google Classroom Link (contents)	https://classroom.google.com/c/NjY1OTAzODM2NTQ4/m/NjY1OA4MDIzODE5/details
Organized by: Name of the Department/Activity Centre	Dept of Commerce – Vichar Vimarsh – Academic Discussion Foru
Event Coordinator/ Faculty In-charge	Mr Arun Kumar R, Assistant Professor.
Nature: Academic /Co- curricular /extracurricular/others	Academic
Topic/Activity	Capacity Development Workshop on AI in Education
Resource Person Details (Name, Designation and Organization/Institution)	NA
No of Participants	Faculty Members of Dept of Commerce & Mr Avinash, Asst Professor, Dept of English
Objectives of the activity	• formalized and evidence-based conversation about a topic, text, or issue. • involve constructive dialogue grounded in textual evidence which participants exchange thoughts, ideas, and questions about issues, texts, and topics. • can help faculty members in understanding, gain feedback, refine ideas, and revise claims.
Methodology	The event began with a welcome note by Mr Arun Kumar R a opening remarks by Dr Nagaraj M S, Head – Dept of Commer The event was steered by Ms Bharathi N S. Each faculty memb were asked to give their opinion about the use of AI in Educati The team was divided into two were in each group discussed ab the pros and cons of usage of AI respectively. The event was a f blend of ideas and strategies to ensure that the AI tools in educat are used in the best possible way with maximum benefits both to teaching and the student fraternity. The closing remarks and vote thanks was rendered by Mr. Gokul C
Outcome of activity	The discussion centered around how the faculty members could st up in academic quality with the usage of AI tools. With the underlying fact that AI is here to stay and its existence or importan cannot be diluted. It was concluded that the yardstick to measure t impact of the same is the use of Natural intelligence blended with

The feedback was collected from all the 20 participants and the analysis is as follows –

1.How would you rate the content of the session?

Excellent	Good	Fair	Poor
05	15	0	0

2. How would you rate the practicality of the contents discussed?

Excellent	Good	Fair	Poor
06	14	0	0

3. How would you rate the time management of the session?

Excellent	Good	Fair	Poor
08	10	02	0

4. I am confident that the discussion points could penetrate the classrooms for the benefit of students.

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
00	00	02	12	06

5. The session has met the desired objectives

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
00	00	02	15	03

6. Please suggest an academic topic for future discussions and workshops

- AI Tools to be used in Classrooms
- Application of AI tools
- Social and emotional learning in student well-being
- Recent trends in AI

The session met with very positive feedback and with this, the Dept of Commerce has completed 7 Editions of Academic Discussions. (6 Editions in AY 2022-23)

The next step forward is to elevate these discussions into practical tools and applications which would benefit the students academically.

Activity Report

Academic year 2023-24 (July 2023 to June 2024)	
Name of theActivity	Webinar on the Occasion of "National Technology Day"
Date	11th May 2024
Time and Venue	1:00 pm. To 3:00 pm.
Mode (Online/Offline)	Online
Organized by: Name of the Department/Activity Centre	Department of Computer Applications
Event Coordinator/ Faculty In-charge	Prof. Puja Biswas
Nature: Academic /Co-curricular/extracurricular/ others	Academic
Topic/Activity	Neuromorphic Computing, Web Application Development
No of Participants	101
Objectives of the activity	This webinar is organized to celebrate the "National Technology Day "and also emphasises the importance of innovation and technological development in India. The major objective of the programme is to generate awareness among the studentsabout the importance of technology in every step of our lives. The webinar is also organized to introduce new technologies like Neuromorphic Computing and Web Development Techniques that can be useful for the students in future.
Methodology	"National Technology Day" was celebrated by organizing a Webinar with interactive elements - the ability to give, receive and discuss information. An interactive function is fulfilled by discussionand online chat-rooms provided on the same website as the webinar. Resource Persons delivered their talks & then they made an interactive session with students by giving the answer of the questions asked by students.
Outcome of activity	Students got to know the importance of celebrating the National Technology Day. Students also got to know new technologies like Neuromorphic Computing and Web Development Techniques that can be useful for the students in future. Students also cleared their doubts related to the modern technologies with the Resource Persons using an Interactive Session.
